Brain Drain

1073. SHRIMATI JAYAWANTI NAV-
INCHANDRA MEHTA: Will the PRIME
MINISTER be pleased to state:

(a) the number of scientists, technolo-
gists and doctors who migrated to other
countries in search of job during the last
three years; and

(b) the action taken by Government to
stop brain drain from India?

THE MINISTER OF STATE IN THE
MINISTRY OF SCIENCE AND TECHNOL-
OGY AND MINSTER OF STATE IN DE-
PARTMENT OF EDUCATION IN THE
MINISTRY OF HUMAN RESOURCES
DEVELOPMENT (PROF.M.G.K.MENON):
(a) and (b). Some scientists, technologists
and doctors do migrate to other countries in

search of jobs. But, it has not been possible
to maintain a record.

A number of measures have been taken
from time to time to minimise the outflow, as
also to attract scientists, technologists and
doctors settled abroad to come back to the
country. This involves creation of employ-
ment opportunities in new areas of Science
and Technology as well as increased efforts
in existing areas particularly in the produc-
tion and services sector. Some of these are:

Increase in the outlay for science and
technology sector in successive Five Year
Plans.

Creation of new scientific Departments/
Organisations such as Departments of Bio-
technology, Ocean Development, Environ-
ment, Non-Conventional Energy Sources,
Centre for Development of Telematics (C-
DOT) etc.,

Conscious efforts to expand industrial production and services sectors of advanced nature and those which are knowledge based.

Creation of a Special Cell in the Ministry of Industry for assisting non-resident Indians to secure expeditious clearance of their applications for setting up of industrial units in this country.

Similarly some states have also set up special cells and Departments to encourage and assist non-resident Indians to come back and set up industries/professional ventures.

Setting up many more universities/colleges/centres of excellence advanced studies.

Provision for temporary placement of scientists and technologists under the Scheme of Scientists Pool.

Creation of supernumerary post.

Programmes launched on the basis of which core groups of professionals have been created in the country with all necessary modern facilities required for pursuing research in new and frontier areas of science.

Invitation to professional men and women of Indian origin who have distinguished themselves in their fields of activities and are settled abroad, for short terms technical assignments to assist in developmental efforts in frontier areas of technology and emerging areas of science through various programmes.

Science and Technology based training for entrepreneurial development.

Delegation of enhanced administrative and financial powers to scientific institutions to improve working conditions of scientists.

Provision of facilities for import of equipment for professionals returning from abroad.

Launch of manpower development training/retraining programmes through offering of associateships/fellowships/courses etc.

Special Training Camps for Indian Athletes for 1990 Asiad

1074. SHRIMATI JAYAWANTI NAVINCHANDRA MEHTA: Will the PRIME MINISTER be pleased to state:

(a) whether Government have arranged special training camps for Indian athletes participation in different disciplines in 1990 ASIAD;

(b) if so, the places where such camps have been arranged; and

(c) the amount allocated for such training camps?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND MINISTER OF STATE IN DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (PROF. M.G.K. MENON): (a) Yes, Sir.

(b) A statement is given below.

(c) No separate funds are allocated for holding of the coaching camps. The sports Authority of India who organises the coaching camps meets the expenditure out of the grants it receives from this Department.
