Modernisation of Kamla Canal in Bihar

- 1318. SHRI BHOGENDRA JHA: Will the Minister of WATER RE-SOURCES be pleased to state:
- (a) whether the Government of Bihar has forwarded the modified Project Report regarding modernisation of the Kamla Canal to the Union Government: and
- (b) if so, the main features of the project and the progress made in according clearance to the project so

MINISTER OF THE WATER RESOURCES (SHRI VIDYACHA-RAN SHUKLA): (a) and (b) The modified project on modernisation of Kamla Canal has not been received back from the State Government in the Central Water Commission. However, earlier in April, 1982, a modernisation project report envisaging raising, strengthening and re-modelling of canal structures, distribution system and other related works was received. The project was estimated to cost Rs. 11.49 crores to provide annual irrigation to 45910 hectares. examination, the project was found to have been prepared without following the existing guidelines for preparation of modernisation projects. The project, was, therefore, returned to the State Government in November, 1986 for modification.
