

(d) and (e) The letters pertain to a large variety of issues which are dealt with by various Ministries, Departments and other organisations of the Government of India. Besides, many of them also pertain to matters which are in the sphere of State Governments. The Ministries/Departments concerned collect the relevant materials from other agencies of the Central and State Governments concerned and prepare the appropriate replies for the letters concerned. There is no system for centralised tabulation of replies sent to Members of Parliament by various Ministries/Departments.

As replying to letters often involves collection of materials from a large variety of sources, the final reply takes considerable time. In such cases, an interim reply is sent assuring the Member that after the materials have been collected, an appropriate reply would be sent. Ministries/Departments make fortnightly tabulation of the letters received from Members of Parliament and replies given thereto.
