

Depending on wind and tide conditions it is neither abnormal nor unusual for ships getting minor dents etc. when being moved alongside. M.V. 'Lok Prakash' bearing Shipyard's number VC 1128, when being moved alongside open dolphin berth of the Shipyard, suffered dents. The vessel is subsequently dry-docked as part of its normal production programme and in the course of dry-docking, such, dents are repaired and removed as per normal yard practice.

(b) No Sir, as no negligence has been established in the mooring of the vessel.

DESU'S Share in Bhakra System

2658. SHRI BIRINDER SINGH : Will the Minister of IRRIGATION AND POWER be pleased to state :

(a) whether DESU has any share in the electricity generated by Bhakra System including Dehar and Pong Hydro-electric Project ; and

(b) whether DESU has drawn electricity from these Projects from June, 1984 to May, 1985, unauthorisedly forcing Bhakra Beas Management Board to generate much in excess of scheduled generation at the cost of partner States ?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU) : (a) No, Sir.

(b) DESU has drawn some electricity from Bhakra Beas Management

Board stations during June, 1984 to May, 1985 to meet its load requirements as, at times, generation from its own resources including Badarpur Thermal Power Station was low and also on account of the non-availability of its full share from Singrauli Super Thermal Power Station.

Loss of Revenue due to Cancellation of Local Train between Thane and Bombay

2660. SHRI M. RAGHUMA REDDY : Will the Minister of RAILWAYS be pleased to state :

(a) whether a study about the loss of revenue to the Government due to cancellation of local trains between Thane and Bombay has been undertaken ;

(b) if so, annual loss suffered by the Railways due to cancellation of these trains ; and

(c) what was the annual revenue from this section before cancellation ?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MADHAVRAO SCINDIA) : (a) to (c) : Over the years, the number of suburban train services between Bombay and Thane has increased from 476 trains daily as on 30.9.1983 to 545 trains daily on 1.11.1984. However, due to an accident at Byculla on

22.11.1984 the number had been reduced temporarily and as against 40 trains cancelled till 17.1.1985 the number has come down to 16 trains from 1.5.1985.

No separate account is maintained of earnings from Bombay VT-Thane sector. However, the total earnings from the Bombay suburban sector (Central Railway) during the year 1983-84 was Rs. 52.72 crores and in 1984-85 Rs. 57.46 crores (provisional). It would be seen that there was no impact of reduction in the Bombay VT-Thane services on the earnings.
