Complaints as and when received from the MPs are brought to the notice either of the concerned collector or the State Government as the case may be for taking necessary action at their end.

(b) As per para 5.2. of the guidelines on the scheme, the funds by the Department of Programme Implementation are to be released twice a year on the basis of physical and financial progress of works under implementation and further requirement of funds for works. (c) Orders have been issued sanctioning the release of the first instalment of Rs.50 lakhs for the year 1996-97, which will be actually released on receipt of requisition from Collectors.

(d) As per para 5.1 of the guidelines, the funds released by Govt. of India under the scheme are nonlapsable. The funds once released have to be normally surrendered in case these do not get spent during the concerned financial year. As per existing orders, dearness relief on pension/family pension remains suspended during the period the pensioner/ Family pensioner is employed under the Central or State Government or a Corporation/Company/Body/Bank under them in India or abroad including permanent absorption in such organisations. The rationale for the decision is that a pensioner/family pensioner gets compensated during his employment against price rise by way of D.A. on pay. If dearness relief on pension/ family pension is also allowed it will amount to double compensation. Some Central Administrative Tribunals did allow D.R. on pension during employment. However, the Supreme Court, vide its Judgement dated 8.12.94 has upheld the Government decision of denying D.R. on pension/family pension during the course of employment.
