**Opening of Extension Counters by
Nationalised Banks**

1457. PROF. NARAIN CHAND PARASHAR: Will the Minister of FINANCE be pleased to state:

(a) whether there are any guidelines from the Reserve Bank of India to the nationalised banks for the opening of their extension counters in places, neighbouring their branches;

(b) if so, the details thereof and the names of places alongwith the names of the nationalised banks which have been permitted to open extension counters, State-wise upto 28 February, 1989; and

(c) the names of the places, State-wise, alongwith the names of the banks from which the applications for opening these counters are pending and the likely date by which the licences would be issued and the counters opened?

THE MINISTER OF STATE IN THE DEPARTMENT OF ECONOMIC AFFAIRS IN THE MINISTRY OF FINANCE (SHRI EDUARDO FALEIRO): (a) Reserve Bank of India (RBI) has reported that no guidelines as such have been issued to banks for opening of extension counters. However, the extension counters are intended for such centres which do not have banking facilities within easy reach. While applying for an extension counter, banks have to ensure about their viability and submit relevant information for consideration of proposal by RBI on merits.

(b) The Statewise information on extension counters allowed to public sector banks is being collected and will be laid on the Table of the House to the extent available.

(c) Statewise and bank-wise details of applications pending with RBI for opening of extension counters are given in the Statement below. These proposals are under scrutiny and eligible proposals would be considered by RBI on merits of each case.
