Payment of Scholarships to S.C. and S.T.

3995. SHRI R. L. KUREEL: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the scholarships money given to Scheduled Castes and Scheduled Tribes is paid every-month regularly throughout the country;

(b) if not, the reasons therefor; and

(c) whether it is not possible to make payment every month as the payment of salary to other employees is done?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI DHANIK LAL MANDAL):

(a) to (c). According to a recent survey conducted by the Central Government, the scholarship money has not been disbursed every month regularly. According to the analysis made, the main reasons for delay in disbursing the scholarships are as follows:—

(i) The scheme has not been de-centralised in a number of States;

(ii) students do not submit application forms in time;

(iii) application forms are not filled up properly requiring clarifications from students from time to time. Sometimes a vital certificate like Caste certificate is not furnished;

(iv) Procedural formalities in giving sanction and encashing of bills.

State Governments have been accordingly given fresh suggestions in the matter in October, 1977 and have been advised to try out the suggestions of Government of India coupled with their own experience to see how best scholarships can be disbursed every month.
