- (c) whether promotional channels have also been blocked; and
- (d) if so, steps taken to correct the situation?

THF MINISTER OF FINANCE (SHRI H M. PATEL) (a) Yes, Sir. Nearly 4,900 employees of various categories have been transferred from various offices of the Indian Audit & Accounts Department to the departmentalised accounts offices in the Civil Ministries/Departments as a consequence of the phase implementation of the scheme of departmentalisation of accounts

(h and (c). The transfer of personnel was effected under the provisions of the Departmentalisation of Union Accounts (Transfer of Personnel) Act, 1976 which inter alia enjoined that every transferred officer or employee shall be entitled to be appointed to a post carrying a scale of pay not less favourable than that of the post which he head immediately before the date of such transfer and in the capacity (whether substantive or officiating) in which he held the post last mentioned The service rules of Group staff have already been notified and the service rules for Groups 'C' and D' staff are under finalisation. It is being ensured that the service conditions of the transferred staff not less favourable than those prior to departmentalisation of accounts. In most cases, promotions of the transferred staff in various categories so far made compare favourably and are generally better than the promotional prospects in their parent offices.

Since all the posts at supervisory levels could not be filled by transferees from Audit Department, substantial promotions to the grades of accounts officers and junior accounts officers have been given to the stati in the departmentalised accounts offices. For example, a large number of

persons who had passed the subordinate accounts service examination in the Audit Department and were awaiting promotion for several years for want of vacancies were promoted as junior accounts officers which would not have been possible but for separation of accounts from audit. Besides. in the service rules for Group 'C' Staff, if is being provided that a limited percentage of posts in the junior accounts officers cadre will be filled by promotion of persons who have passed the qualifying examination. The promotional channels are, therefore, not blocked.

(d) Does not arise.
