#### Electric Consumption in Industrial Undertakings in Madhya Pradesh...

3027 SHRI PARMANAND GOVIND-JIWALA. Will the Minister of ENERGY be pleased to state:

(a) the total consumption of the electricity by the Industrial Undertakings of the Central Government in Madhya Pradesh; and

(b) whether Madhya Pradesh Government is compelled to purchase dearer electricity from the other States in order to provide electricity to above Central undertakings?

THE MINISTER OF ENERGY (SHRI P. RAMACHANDRAN): (a) During April to September, 1977 the Central Government Industrial Undertakings in Madhya Pradesh consumed 791 millions units, representing about 35 per cent of the total sale.

(b) No, Sir, Madhya Pradesh Electricity Board purchases power from its neighbouring systems to meet the overall shortfall in meeting the demand

not only on account of Central Government Undertakings but also on account of other consumers

#### Supply of Power to U.P. and M.P.

3028 SHRI PARMANAND GOVIND-JIWALA Will the Minister of ENERGY be pleased to state:

(a) whether the State of UP will get 42 per cent of the production of electricity from the proposed plant at Singrauli;

(b) whether the State of MP will get only 29 per cent thermal power from Korba Plant to be constructed by National Thermal Power Corporation; and

(c) what is the reason for this discrimination?

THE MINISTER OF ENERGY (SHRI P. RAMACHANDRAN) (a) to (c) The large Thermal Power Stations being established near pit heads in the Central Sector are intended to benefit the Constituent States/Union territories in the region. Fifteen per cent
