7571. DR BIJOY MONDAL; SHRI MUKHTIAR SINGH MALIK. SHRI SHANKER SINHJI VAHELA:

Will the Minister of HOME AFFAIRS be pleased to state:

- (a) whether it is a fact that some
  State Governments have decided to
  create armed Harijan Volunteer
  force;
- (b) if so, whether this decision will not create panic among non-Harilans:
- (c) whether Government have since decided to establish such forces throughout the country; and
- (d) if not, the reaction of Government to such a decision?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI DHANIK LAL MANDAL): (a) to (d). The subject of Law and Order

is a State subject under the Constitution. It is for the State Government concerned to consider and adopt various measures for dealing with problems relating to Law and Older that may arise from time to time. A proposal for giving arms to certain Harijan iamilies in selected districts of Bihar after preliminary training is under active consideration of the Government of Bihar The Government of India have informed the Government Bihar that if at all it was desired to arm certain sections of the civil population, then they must be brought under some code of discipline so that proper control could be exercised. This could be done by enrolling suitable persons as Home Guards who could function as auxiliary to the State Police in the maintenance of law and order and would be, by and large, subject to police rules and regulations As far as the Government of India are aware, no such proposals are under consideration of other State Governments at present.

The consensus arrived at the conference is as follows:—

- (3) Efforts should be made to provide purposeful occupation to undertrials.
- (4) State level committees of Jail Visitors should be constituted where they do not exist.
- (5) The working of District level and State level review committees should be activated so as to identify reasons for delay in investigation or trial. The committees at the District level and the State level should meet at least once in three months and six months respectively to review the hard cases and to find out possible ways to help the undertrials.
- (6) Law officers should be attached to jails on whole time or part time basis to enable undertrials to contest their cases properly.
- (7) Separate arrangements in Camp Jails etc.. could be made with lesser security arrangements for prisoners who court arrest in large number during agitations.
- (8) The capacity of Borstal institutions should be augmented.
