- (24) Rs. 3000 fixed.
- (25) 3000-100-3500.
- (26) Rs. 3250 fixed.
- (27) Rs. 3500 fixed.

Release of R.C. Grade Aluminium on Bend without Payment of Excise Duty

4500. DR. VASANT KUMAR
PANDIT: Will the DEPUTY PRIME
MINISTER AND MINISTER OF
FINANCE be pleased to state:

(a) is it a fact that Government of India is not agreeing for release of

- E.C. Grade Aluminium on bond without payment of Excise Duty even though the orders were placed under IDA and treated as export orders;
- (b) is it also a fact whether the supplies on whom orders are placed under IDA are required to pay full amount of excise duty at the time of purchasing Aluminium and then claim its reimbursement:
- (c) is it a fact that this process is time consuming and often takes more than six months to get the refund claimed; and
- (d) have the Government any proposal for solution of this problem and difficulties in getting supplies in time under IDA contracts?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI SATISH AGARWAL): (a) Under the Central Excise Law, goods supplied to I.D.A. aided projects within the country can not be treated as exported and hence in-bond movement without payment of excise duty is not permissible.

- (b) Since goods supplied to I.D.A. aided projects are not considered to have been exported for Central Excise purposes, they can be cleared from a factory only on payment of central excise duty. Suppliers of such goods can, however, claim cash assistance in lieu of duty drawback and excise duty rebate from the Market Development Fund administered by the Ministry of Commerce.
- (c) and (d). Application for cash assistance is submitted after some payment is received from the project authorities. In order to expedite payment of cash assistance the Ministry of Commerce has decentralised this work and issued concrete guidelines for disposal of claims. Augmentation of stall for the purpose of speedy disposal of those claims is also under consideration of that Ministry. The Government is also considering import of aluminium.
