 - (a) Keeping constant dialogue with the authorities of the power utilities for expeditious clearance of dues.
 - (b) Occasional stoppage of supply of wagons and delivery of consignments, as an extreme step.
 - (c) Keeping 15% difference between "To Pay" and "paid" freight.
 - (d) Introduction of advance payment scheme through a deposit by the concerned State Electricity Board, of one month's transactions in advance in the destination Railway.
 - (e) Compulsory pre-payment of freight, where consignments are now booked on "To Pay" basis, w.e.f. 1.10.96.

It is expected that with the introduction of the measures at (d) and (e), the position in this regard will improve.
