Remittance facilities by Bank of Baroda to Barmalt (I) Private Limited, Gurgaon

1497. SHRI VIJAY KUMAR YADAV: Will the Minister of FINANCE be pleased to state:

(a) whether Head Office of Bank of Baroda has directed its Parliament Street Branch to allow free remittance facilities to BARMALT (I) PRIVATE LIMITED, Gurgaon, by Mail Transfer;

(b) whether it is a fact that Mail Transfer documents are being handed over to the Party in contravention to Bank Rules and practices; and

(c) if so, the action taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI MAGANBHAI BAROT): (a) Yes Sir.

(b) Mail Transfer documents intended for the drawee bank are not being handed over to the party. However, the copy of the Mail Transfer advice meant for the party is handed over to it. This or the facility of free Mail

Transfer to a client does not involve any contravention of the banks rules or practices.

(c) Does not arise.

Soft-Loan Scheme

1498. SHRI NARAYAN CHOUBEY: Will the Minister of FINANCE be pleased to state:

(a) what is a soft loan scheme and what are the criteria of deciding the industries entitled for that;

(b) whether Government have a proposal for opening a soft loan window for the paper industry; and

(c) if so, the details and reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI MAGANBHAI BAROT): (a) At the instance of the Government of India a Scheme, known as Soft Loan Scheme, was introduced by the all-India term lending financial institutions in November 1976 for financing the modernisation programme in five selected industries viz., cotton textiles, jute, cement, sugar and certain specified engineering industries. These five industries were brought under the purview of the Scheme on the ground that they were in the key sector and there was considerable backlog of modernisation. Under the Soft Loan Scheme financial assistance on concessional terms is provided to industrial units in the selected industries mentioned above to enable them to overcome the backlog in modernisation replacement and renovation of their plant and machinery, so as to achieve higher and more economic levels of production and thereby improve their competitiveness in domestic as well as in the international markets. The basic criteria for assistance under the Scheme are weakness of industrial units arising out of the mechanical obsolescence and prospects
