

requirement in the country during June, 1980 was 10442 Million Units which included the requirements of industrial and domestic consumers. The total energy generation in the month June, 1980 was 8058 Million Units.

(b) Yes, Sir. Power surveys are being conducted from time to time.

Companies Manufacturing Life Saving Drugs

5191. SHRI B. R. NAHATA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) how many Companies are producing or manufacturing life saving drugs during the last five years; what is their annual production of individual drug;

(b) how many times spurious drugs or sub-standard drugs were found to have been manufactured during the last five years by these companies; if so, what was the action taken against them; and

(c) how many import licences have been given every year to these companies manufacturing life-saving drugs?

THE MINISTER OF PETROLEUM, CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATIL): (a): Sixty companies are engaged in the production of life saving drugs in the Organised Sector. The production of individual life saving drugs during the last five years is given in the statement annexed.

(b) and (c) Information is being collected and will be laid down on the Table of the House.
