THE MINISTER OF STATE IN THE MINISTRIES OF AGRICUL-TURE AND RURAL DEVELOPMENT (SHRI R. V. SWAMINATHAN): (a) The commercial import of skim .milk powder was discontinued from 1975-76 in order to help indigenous production. The Operation Flood I Project which was launched in 1970 terminated on 31st March, 1981. The funds generated through sale of gift commodities received from European Economic Community for Operation Floor II Project launched in 1978 are being utilised as resources for implementation of the project. Any reduction in the quantum of gift commodities will affect implementation of the project.

(b) Since the gift commodities are being received from abroad on a regulated basis for implementation of specified dairy development programmes, it will not be proper to compare the gift imports of dairy commodities with wheat imports under P.L. 480.
