As regards Bombay, according to the Municipal Rules there retail shopkeepers cannot store more than 500 to 1000 litres of kerosine at a time. Besides the other oil depot holders who are supplying kerosine to the hotels, hostels, industries etc. also have limited capacity to store kerosine for a fortnight. However, the requirement of kerosine of the consumer for the fortnight is issued to them in one instalment by rotation from 1st to 15th and from 16th to the last day of each month.
