Patna	4	Two years.]
Punjab	4	Two years.
Rajasthan	1	Two years.

The result of the efforts made by the various High Courts towards the disposal of pending cases will be known in due course

(ii) The checking of corruption in the administrative machinery of Courts in the State is mainly the concern of the State Governments and the High Courts. The State Governments were requested to consult the High Courts how best to implement the recommendations made by the State Law Ministers' Conference. The State Governments have not yet informed the Central Government as to the steps taken by them for the eradication of corruption in the administrative machinery of Courts.

Law Practitioners

604. Shri Assar: Will the Minister of Law be pleased to state the total number of pleaders, barristers and advocates in India, State-wise?

The Deputy Minister of Law (Shri Hajarnavis): A statement prepared in accordance with the available information is laid on the Table of the House. [See Appendix III, annexure No. 46.]

Stenographers

605. Shri Anirudh Sinha: Will the Minister of Home Affairs be pleased to state the number of stenographers in the Central Government who have put in service for more than 10 years

but are still unconfirmed for not having qualified in the Union Public Service Commission tests?

The Minister of State in the Ministry of Home Affairs (Shri Datar): There are sixteen such stenographers in the Central Secretariat and the Attached Offices participating in the Central Secretariat Stenographers' Service Scheme. The number of such stenographers in other offices is not known.

Geological Survey of Rajasthan

606. Shri Onkar Lal: Will the Minister of Steel, Mines and Fuel be pleased to state:

(a) whether it is a fact that the Geological Survey of India has discovered petroleum, iron, cement, aluminium and glass deposits in Shahbad Tehsil of Kota district in Rajasthan;

(b) if so, the estimated quantity of the minerals found there; and

(c) whether any survey is being conducted in this regard in other parts of this region?

The Minister of Mines and Oil (Shri K. D. Malaviya): (a) and (b). Petroleum in this area has not been recorded. Iron ore, Limestone (for cement), Bauxite (aluminium ore) and glass sand were discovered in this area by the Geological Survey of India. The
