The Minister of Commerce and Industry (Shri Morarji Desai): (a) Yes, Sir.

(b) The suggestions made regarding oils and oilseeds were—

- (i) groundnut oil might be allowed export and coconut oil imported to replace groundnut oil; and
- (ii) exports of groundnut oilcake should be limited to 100 tons at a time per shipper.

The first suggestion was not found acceptable because coconut oil is not a suitable substitute for groundnut oil in the Vanaspathi industry where it is mostly required. As regards the second suggestion, export of groundnut oilcake is now regulated through established shippers on the basis of past exports.
