Reporting to nearest port by fishing Vessels

2023. SHRIMATI SANYOGITA RANE: Will the Minister of AGRICULTURE be pleased to state :

(a) whether Government had received the representation that the stipulation that fishing vessels should report to the nearest port by the 45th day of their departure was not conducive to effective fishing operation ;

(b) if so, the reaction of Government thereto ; and

(c) the decision taken thereon ?

THE MINISTER OF AGRICULTURE (RAO BIRENDRA SINGH) : (a) Yes, Sir.

(b) and (c) The stipulation on reporting of chartered vessels at an Indian port on or before the 45th day of the commencement of voyage has been made by the Government in order to prevent any unauthorised trips to foreign port by the chartered vessels. This would safeguard the interests of Indian fishing companies. A similar suggestion by chartering companies was received earlier. After examination, change in this stipulation was not considered necessary.
