

July, 1984. There has been no case of forcible eviction in the shifting of the villagers.

National Aluminium Company Limited (NALCO) has given assurance to the displaced families that one able-bodied person from each of the displaced family will be provided a job in NALCO subject to the suitability of the person. Further, each displaced family has been paid ex-gratia amount of Rs. 2,500/- by the Company.

Urbanisation of Rural Population

1389. SHRI N. DENNIS : Will the Minister of PLANNING be pleased to state :

(a) the steps Government propose to take to check speedy urbanisation of rural population;

(b) whether Government have any constructive proposal for rural population of gainful occupation in their own area; and

(c) if so, the details thereof?

THE MINISTER OF PLANNING (SHRI P.C. SETHI) : (a) In the Sixth Five Year Plan period, attention has been focused on the reduction of poverty and unemployment among the rural population through a number of special programmes which are, expected, among other things, to check uncontrolled migration from rural to urban areas.

(b) These special programmes are : the Integrated Rural Development Programme (IRDP) including the training of rural youth for self-employment (TRYSEM); the National Rural Employment Programme (NREP); and the Rural landless Employment Guarantee Programme (RLEGP).

(c) The details of these programmes, except RLEGP, are given, in paras 11.9 to

11.38 of the Sixth Five Year Plan document. The RLEGP was launched in 1983-84 to cover the hard core of the rural landless poor by providing 100 days employment to one member of each rural landless family in a year.

Output of Atomic Power Stations During April, 1984

1390. SHRI SUBHASH CHANDRA BOSE ALLURI : Will the PRIME MINISTER be pleased to state :

(a) the output of various units of Tarapur, Rajasthan and Kalpakkam Nuclear Power Stations on different days of the first fortnight of April, 1984 and actual contribution of energy to various grids during those days;

(b) by when the Narora Atomic Power Station is likely to be commissioned for feeding the Northern grid; and

(c) whether Government have constituted a working group headed by Shri J. C. Shah to work out economics of nuclear power and also to chalk out a new nuclear Programme?

THE MINISTER OF STATE IN THE DEPARTMENT OF SCIENCE AND TECHNOLOGY, ATOMIC ENERGY, SPACE, ELECTRONICS AND OCEAN DEVELOPMENT (SHRI SHIVRAJ V. PATIL) : (a) The output of various units of Tarapur, Rajasthan and Madras Atomic Power Stations from April 1-15, 1984 and the actual contribution of energy to various grids during the said period is furnished, in the statement attached.

(b) The two units of Narora Atomic Power Station are expected to be commissioned in 1987-88 and 1988-89 respectively.

(c) A Committee has been constituted under the Chairmanship of Shri J. C. Shah to examine and advise the D.A.E. on the economics of nuclear power.
