

THE MINISTER OF STATE IN THE
MINISTRY OF INDUSTRY AND
CIVIL SUPPLIES (SHRI A. P.
SHARMA): (a) Yes, Sir.

(b) Hitherto the Credit Guarantee Scheme for Small scale industries covered only such industrial undertakings in which the investment in plant and machinery was not in excess of Rs. 7.5 lakhs in line with the general definition of "small scale industries". The general definition of "small scale industries" and "ancillary industries" was revised in May, 1975, by raising the ceiling on investment in plant and machinery to Rs. 10 lakhs and Rs. 15 lakhs in the case of "small scale industries" and "ancillary industries" respectively. The facility of Credit Guarantee Scheme was, however, extended in August 1975 to all undertakings having investment in plant and machinery not exceeding Rs. 10 lakhs, irrespective of the fact whether the unit is 'small scale industry' or 'ancillary industry'. On further consideration the facility of Credit Guarantee Scheme has been extended to cover 'ancillary units' with investment in plant and machinery beyond Rs. 10 lakhs but not exceeding Rs. 15 lakhs in line with the general definition of 'ancillary industries'!

Television Centres in Kerala

3324. SHRIMATI BHARGAVI THANAKAPPAN: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether Kerala State Government have made a representation for setting up of a television centre in Kerala; and

(b) if so, Government's decision thereon?

THE MINISTER OF STATE OF INFORMATION AND BROADCASTING (SHRI VIDYA CHARAN SHUKLA):

(a) Yes, Sir. In September 1975, the State Government had suggested extension of SITE programmes to Kerala and also the setting up of a studio and 3 Transmitting Stations during the Fifth Plan in the vicinity of Trivandrum, Cochin and Calicut.

(b) The feasibility of extending the SITE programmes to Kerala was examined. It was, however, found that it would not be possible to do so for technical reasons such as the strength of the signal, limited capacity of programme production facilities in additional languages and other aspects of

the Instructional TV Experiment. As regards the second part of the State Government's suggestion, it was not found possible to set up any TV Centre during Fifth Plan in Kerala State due to constraints in resources.
