Chemical Factory, Panwal

*198: Shri Nath Pai: Will the Minister of Petroleum and Chemicals be pleased to state:

(a) the progress of the Intermediate Chemicals Factory at Panwal (Maharashtra) has made so far;

(b) whether the progress made so far is as per original schedule; and

(c) if not, the reasons for the change, if any, in the schedule?

The Minister of State in the Ministry of Petroleum and Chemicals (Shri Alagesan): (a) The land required for the factory and its services has been acquired. Levelling and preparation of site is nearly complete. The Railway siding is under construction. Wated suply, filteration plant, etc. are in an advanced stage of execution. Internal distribution mains, etc. are planned. The survey and preliminary alignment for the effluent discharge channel has been done and the system is under design. The general lay-out of the factory buildings hîas been settled and plans and designs for organic buildings are in an advanced stage of preparation in consultation with the collaborators. Tenders for caustic soda-chlorine, Sulphuric acid-oleum, Nitric acid, Inert gases. Steam and Refrigeration plant have been received and are under consideration. Final decisions in all these await settlement of the foreign exchange availabilities.

(b) No, Sir.

(c) Owing to the changed circumstances since the project was originally formulated, it is felt that the programme of production needs to be revised. A committee of technical experts has just submitted a report regarding a suitable revised pattern and this is under consideration.
