## Reservation of Assembly Constituency for Scheduled Castes in Tripura

3238. Shri Dasaratha Deb: Will the Minister of Law be pleased to state:

(a) whether Government's attention was drawn to the fact that the Delimitation Commission proposed to reserve one of the Assembly constituencies for Scheduled Castes in Tripura, despite the fact that it has 41 per cent of Scheduled Tribe population and only 20 per cent of Scheduled Caste population;

(b) if so, the reasons therefor; and

(c) the action taken by Government in the matter?

The Minister of State in the Ministry of Law (Shri C. R. Pattabhi Raman): (a) and (b) Yes, Sir, According to the population figures, the Delimitation Commission has decided to reserve 3 seats for the scheduled castes and 9 seats for the scheduled tribes. In accordance with the provisions of section 9(1) (c) of the Delimitation Commission Act, 1962, the constituencies in which seats are to be reserved for the Scheduled Castes shall be distributed in different parts of the Union Territory and accordingly the Commission has proposed to reserve a seat for the scheduled castes in this assembly constituency. It is true that it has a considerable scheduled tribe population. The concentration of Scheduled tribe population in each of the 9 constituencies proposed to be reserved for them is more than in this assembly constituency.

(c) Government has no power to interfere in any way with the orders of the Delimitation Commission which is an independent body set up under the Delimitation Commission Act, 1962.
