West Bengal region, super-tankers bringing Kerosene oil imports from U.S.S.R. should be berthed at Calcutta docks;

(b) if so, whether Indian Oil Corporation has encountered any difficulties due to unfavourable response from the Port authorities; and

(c) Government's reaction thereto?

The Minister of Petroleum and Chemicals (Shri Alagesan): (a) Indian Oil Corporation's suggestion to bring large tankers to Calcutta Docks is designed to facilitate more convenient imports of deficit products as there is a shortage of small tankers at present for this traffic. But the absence of such facilities has not resulted so far in a reduction of sea-borne supplies into Ca'cutta.

(b) and (c). The matter was discussed by the Indian Oil Corporation Limited with the Calcutta Port authorities and it was agreed that the facilities at Budge-Budge will be extended to accommodate larger tankers.

काझ्मीर में सशस्त्र पाकिस्तानी लोगों की घसपैठ

Shri D S. Patili:

Will the Minister of Education be pleased to state:

(a) whether it is a fact that there is a growing discontentment among the Higher Secondary School Teachers in the country; and

(b) if so, the steps taken to grant financial aid to the States for improving the salary of the teachers?

The Minister of Education (Shri M, C. Chagla): (a) and (b). The State Governments are primarily concerned with the problem of giving adequate salaries to teachers at all stages including the Higher Secondary stage. The Government of India have been impressing upon the State Governments the need to improve the emoluments, service conditions and qualifications of teachers at a step essential to qualitative improvement. They have also advised State Governments to remove disparities in the pay acales of Aided and Government School Teachers. The Central Government have been assisting State Governments on 50:50 basis for improvement of salaries of teachers as a scheme in the State Sector. It is estimated that about Rs. 37 crores will have been spent during the Third Plan on these Plan schemes. Some State Govermnents have also improved the salary scales of teachers from the non-Plan Sector. As a result of all these efforts, salaries of teachers have improved although there is room for further improvement in some States particularly.

The Government of India have no information that there is any special discontentment amongst the Higher Secondary School Teachers as such. The general demand of teachers for a rise in salaries is also linked with the increase in the cost of living.
