Setting Up of LPTs/HPTs

3529. SHRI RAVINDRA KUMAR PANDEY :
SMT. SHEELA GAUTAM :
SHRI RAJO SINGH :

Will the Minister of INFORMATION AND BROADCASTING be pleased to state :

(a) the proposals received from Uttar Pradesh and Bihar for setting up, upgradation and expansion of Low Power Transmitters (LPTs) and High Power Transmitters (HPTs) in these States during the Ninth Five Year Plan;

(b) the details of the proposals cleared by the Union Government so far; and

(c) the steps taken to clear the remaining proposals?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (SHRI MUKHTAR NAQVI): (a) The schemes for setting up, upgradation and extension of Doordarshan network are formulated by Doordarshan according to requirement of various areas of the country, availability of

resources, infrastructural facilities and inter-se priorities. These being central plan schemes, no proposal are sought from State Governments before finalising schemes. However, representation/proposals received from various quarters including State Governments and People's representatives are taken into account before finalising schemes. Doordarshan received 60 such representations in respect of UP and 24 in respect of Bihar since the commencement of 9th. Five Year Plan from people's representatives.

(b) and (c) At present, 106 transmitters of varying power are functioning in UP and 52 transmitters in Bihar. For further expansion of TV coverage, 31 transmitters (including 8 HPTs) in UP and 9 transmitters (including 4 HPTs) in Bihar are presently under implementation.
