

**Regarding stoppage of Vande Bharat Express at Jolarpei junction in Tamil Nadu**

**SHRI C.N. ANNADURAI (TIRUVANNAMALAI):** Thank you Chairman, Sir. There is a significant railway junction at Jolarpettai in Tamil Nadu with which various parts of south India are connected. Moreover, a major tourist hotspot, Yelagiri hill station is situated near Jolarpettai.

There is huge public demand for stoppage of Vande Bharat Express trains from Chennai to Coimbatore and Chennai to Mysore at Jolarpettai junction. I request the hon. Railway Minister to consider the demand of the people without any further delay. Thank you.
