

Regarding stoppage of trains in Perambalur Parliamentary Constituency-laid

DR. T. R. PAARIVENDHAR (PERAMBALUR): In my Perambalur Parliamentary Constituency, out of the six assembly constituencies Lalgudi, is one of the assembly constituencies which is surrounded by many pilgrim centers. In 108 Divyadesams of Lord Venkateswara, 03 Divya Desam comes in Lalgudi. It attracts more number of pilgrims every day from the state and different parts of the country.

This is my long pending request to the Ministry of Railway since 2019. I request to give stoppage to the train Guruvayur Express (16127), Mangaluru Express (12685) and Vaigai express (12635) at Lalgudi railway station as per the request of the people of my constituency which would be very helpful to them. At least a trial of six months can be given to see the public response. I also request the Ministry to construct a Railway Over Bridge (ROB) in Pullambadi LC 216km 300/200/300 in Thirumazhapadi road under Tiruchirappalli Railway Division and also construct an underpass in Kulithalai - Valandur where an entire village has been seeking this help for the past three years which come under Salem Railway Division.
