

**Regarding construction of a Railway Overbridge at Raiganj in Uttar Dinajpur district of West Bengal-laid**

**SUSHRI DEBASREE CHAUDHURI (RAIGANJ):** I would like to draw the kind attention of the Hon?ble Minister of Railways towards the need for construction of a ROB at Raiganj Town, District Uttar Dinajpur, West Bengal. Manned level crossing is working at Mohanbati towards M G Road which is the main level crossing of Town Raiganj, District Uttar Dinajpur, West Bengal. As Indian Railways has embarked on a mission to eliminate manned level crossing to improve mobility and safety in train operations. This route is a busy one and local people use this level crossing as the major crossing point of Railways. The people, especially patients, are also facing great difficulties due to frequent closing of this manual crossing. The people of my Raiganj Parliamentary Constituency request for construction of a ROB at this place urgently. I urge upon the Hon?ble Railway Minister to consider the construction of a ROB at Raiganj Town, District Uttar Dinajpur, West Bengal for the benefit of the people.
