

**Regarding need to provide stoppage of Vande Bharat Express (Train No. 20833-34) at Tadepalligudem railway station-laid**

**SHRI RAGHU RAMA KRISHNA RAJU (NARSAPURAM):** I would like to draw the attention of Hon?ble Minister of Railways regarding Vande Bharat Express Train having the best modern safety Kavach system along with wide range of modern features and amenities running between Secunderabad and Visakhapatnam stations in Andhra Pradesh. Presently, this train is having 4 stops at Rajahmundry, Vijayawada in Andhra Pradesh and Khammam and Warangal in Telangana. Tadepalligudem in Andhra Pradesh is an important place well-known for commercial and industrial activities, surrounded with 4 municipalities in the district and is also well-connected with many historical and tourism places. Keeping in view its importance, I request the Government to kindly consider for providing an additional stoppage to train No.20833/34 Vande Bharat Express Train at Tadepalligudem railway station which will fetch a considerable revenue to the railways.
