

**Regarding need to sanction funds for development of necessary infrastructure across river Sarada in Anakapalle Parliamentary Constituency-laid**

**DR. BEESETTI VENKATA SATYAVATHI (ANAKAPALLE):** The villagers of Kasimkota in Anakapalle parliamentary constituency, Andhra Pradesh heavily rely on crossing the Sarada River on a daily basis to carry out essential agricultural activities, cattle breeding, and cultivation. However, during the rainy season, this river crossing becomes treacherous and hazardous, leading to several tragic incidents and loss of lives. The safety of the residents is at significant risk, and this situation demands urgent intervention. It is my humble request to the Ministry of Panchayati Raj and Rural Development to consider this request favourably and expedite the sanctioning of funds to help alleviate the hardships faced by the people of Kasimkota. The timely intervention will not only save lives but also serve as a great relief to the poor people who currently rely on hazardous river crossings.
