ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION; MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS

[RAO INDERJIT SINGH]

(a) to (d): The broad framework for Corporate Social Responsibility (CSR) has been provided through Section 135 of the Companies Act, 2013 ('Act'), Schedule VII of the Act and Companies (CSR Policy) Rules, 2014. Under the Act, CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor CSR activities based on the recommendations of its CSR committee. The CSR framework is disclosure based and CSR mandated companies are required to file details of CSR activities annually in the MCA21 registry. However, completion status of CSR projects or activities are not maintained separately by the Government. All data related to CSR filed by companies in MCA21 registry is available in public domain and can be accessed at www.csr.gov.in. The Government monitors the compliance of CSR provisions through the disclosures made by the companies in the MCA 21 registry. Whenever any violation of CSR provisions is reported, action against such non-compliant Companies is initiated as per provisions of the Act after due examination of records and following due process of law.

On the basis of annual filings made by the Companies in the MCA21 registry, the development sector-wise details of CSR spent by all the companies in the States of Kerala, Maharashtra, Jharkhand and Delhi during last five Financial Years (FY) 2017-18, 2018-19, 2019-20, 2020-21 and 2021-22 are at Annexures I, II, III and IV respectively.
