(e) if so, the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUBHAS SARKAR)

(a) to (e) The Department of Higher Education, Ministry of Education in collaboration with IIT Kanpur has started SATHEE **(Self-Assessment, Test and Help for Entrance Examination)** portal to provide quality education to every student who intend to participate in competitive Education such as JEE, NEET and various State level Engineering and other Examinations. Ministry of Education has written to all State/UTs to inform educators and students about this facility which can be used for competitive examinations preparation and for knowledge enhancement.

To support students preparing for JEE and other engineering examinations, a 45 days crash course of JEE has been launched on 21st November 2023 curated by IIT toppers, academicians and subject experts. This crash course is available in 5 language including English. All India Council of Technical Education (AICTE) has developed AI based translation tool. This tool supports 22 Indian languages. Several workshops/Seminars have been organized in institutions/colleges to create awareness about this tool and its utility.

As on 12th December, 2023, there are 60,000+ students registered on the SATHEE platform.
