

GOVERNMENT OF INDIA  
MINISTRY OF CHEMICALS AND FERTILIZERS  
DEPARTMENT OF FERTILIZERS

**LOK SABHA**

**UNSTARRED QUESTION NO. 1281 TO BE ANSWERED ON : 09.02.2024**

**Prices of NPK Fertilizers**

**1281. SHRI COSME FRANCISCO CAITANO SARDINHA:**

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) the actual prices of NPK fertilizers paid by the farmers across different States in the country, State-wise;
- (b) the details of the trend of rise/fall in these prices over the last five years, year-wise; and
- (c) the steps taken/proposed to be taken by the Government to reduce import dependency and ensure supply chain resilience in the country?

**ANSWER**

MINISTER OF STATE FOR CHEMICALS & FERTILIZERS

**(SHRI BHAGWANTH KHUBA)**

---

**(a) & (b) :** Government has implemented Nutrient Based Subsidy Policy w.e.f. 1.4.2010 for Phosphatic and Potassic (P&K) Fertilizers. Under the policy, a fixed amount of subsidy, decided on annual/semi-annual basis, is provided on notified P&K fertilizers depending on their nutrient content. Under this policy, MRP is fixed by fertilizer companies as per market dynamics at reasonable level which is monitored by the Government. Accordingly, any farmer including poor and marginal farmers who buy these fertilizers gets benefits of subsidy.

The actual prices paid by the farmers for the NPK fertilizers notified under the NBS scheme and the details of the trend of rise/fall of these fertilizers over the last five years, year wise are enclosed at **Annexure A**.

**(c) :** P&K fertilizers are covered under Open General License (OGL) and companies are free to import/produce these fertilizers as per their business dynamics. Based on examination of requests received, permission is granted to the fertilizer companies for increasing their manufacturing capacity and for induction of new P&K companies & their fertilizer products under NBS, with a view to boost manufacturing and make country self-reliant in fertilizer production. The other measures taken are:

- (i) To promote Potash derived from Molasses (PDM) which is 100% indigenously manufactured fertilizer has been notified under Nutrient Based Subsidy (NBS) regime w.e.f. 13.10.2021.
- (ii) Freight subsidy on SSP, which is an indigenously manufactured fertilizer, has been made applicable for Kharif and Rabi 2023-24 to help in promotion of SSP usage for providing Phosphatic or 'P' nutrient to the soil.

As far as ensuring supply chain resilience in the country is concerned, before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW) assesses the state-wise & month-wise requirement of fertilizers. To fulfil this requirement of fertilizers in the states (including rural tribal and remote areas) across the country, as per assessment done by DA&FW, Department of Fertilizers allocates adequate quantities of fertilizers to States by issuing monthly supply plans. The movement of all major subsidized fertilizers is monitored through web-based monitoring system called integrated Fertilizer Monitoring System (iFMS). However, the inter/intra-district distribution of fertilizers is being done by the respective state to meet the field requirement within the state.

Further, Government has been encouraging Indian Companies to establish joint ventures abroad in Countries rich in fertilizer resources and to enter into long term agreement for supply of fertilizers and fertilizer inputs to India which is an ongoing process.
