

Regarding wages of ASHA workers

श्रीमती परनीत कौर (पटियाला): Thank you, Chairman Sir, for giving me the time to speak on an urgent matter of public importance. Sir, I want to talk about the problems of Asha workers and Anganwadi workers. They are compelled to do a lot of work in every field. They demand at least 21,000 Rs. for each of them.

Through you, I urge upon the Government to kindly take their demand seriously.
Thank you.
