

Regarding railway services at Matla, West Bengal

SHRIMATI PRATIMA MONDAL (JAYNAGAR): Thank you, Chairperson, Sir.

I would like to draw the kind attention of the hon. Railway Minister to a matter of urgent public importance. Under my Parliamentary Constituency Jaynagar there is a halt station named Matla.

13.00 hrs

The old name is Chandkhali. The Sealdah Canning line was made operational on 15th August, 2021. Since then, people have been availing the opportunity of travelling on four up and down trains, but the problem remains the same for students of schools, colleges and employees of different sectors because there is no halt train service at the prime time in the morning and evening. As a result, people have to travel long distances.

SHRIMATI PRATIMA MONDAL: It will take much time and money. So, my request to the hon. Minister is to give at least two more halts at stations both in the morning and evening. In the morning, the requested halt timings are 7:23 am and 10:05 am and in the evening, it is 16:35 pm and 17:52 pm.
