

Regarding air services

SHRI SUSHIL KUMAR RINKU (JALANDHAR): Hon. Chairman, Sir, I thank you for giving me the opportunity to speak in this august House. Sir, through you, I would like to thank the Civil Aviation Minister of India, Shri Scindiaji. I met him twice. He has given the green signal to start Adampur airport in my Constituency, Jalandhar. I hope, the Adampur airport will start functioning shortly.

I urge upon the Government to name the airport at Adampur on the name of Shri Guru Ravidasji. The Punjab Legislative Assembly has unanimously passed this resolution. So, I urge upon the Hon. Minister Sir to kindly name the airport as Shri Guru Ravidas Airport.

Thank you.
