

## **Regarding rise in prices of essential commodities**

**SHRI ASIT KUMAR MAL (BOLPUR):** Hon. Chairman, Sir, thank you so much for giving me this opportunity. I would like to draw your kind attention to the issue of price hike of petrol, diesel, cooking gas, and all other daily commodities. Their prices have increased immensely. During the course of NDA regime, the middle-class people and low-income groups are suffering unbearably. I would like to request the hon. Prime Minister to bring down the prices of these things as early as possible.

माननीय सभापति : संघमित्रा जी, कृपया इधर भी ध्यान दीजिए ।
