

Regarding Ghatal Master Plan

SHRI DEEPAK ADHIKARI (DEV) (GHATAL): Sir, thank you for providing me the opportunity to speak. I wish to speak in Bengali. I spoke about Ghatal Masterplan for the first time in Parliament. Today is my last day in the Parliament, and I again stand here to speak on the Ghatal Masterplan.

13.50 hrs (Shri N.K. Premachandran *in the Chair*)

Since 1950, there has been a lot of pain in the hearts of the people of Ghatal regarding the issue of Ghatal Masterplan. This is not an issue pertaining exclusively to a political party-whether it is TMC or BJP. This issue is beyond that. Through you, I want to request the honourable Prime Minister to kindly look into the matter and implement the Ghatal Masterplan. So that the people whose lives were affected by the flood get the benefit out of this. I hope the dream that people of Ghatal had finally becomes a reality. Whether I stay as an MP or not, i just want to see the plight of the people of Ghatal getting reduced. I hope to see happiness in the faces of these people. I want to thank our honourable Chief Minister who provided me this opportunity to represent the people of Ghatal for 10 long years. I thank all the people of Ghatalconsistuecy- the ones who voted for me and those didn't vote for me- I express my gratitude to all of you. Whether I am there or not, Ghatal will always have a special place in my heart.

Thank you.
