

Regarding notification of land acquisition for bypass road

SHRI BENNY BEHANAN (CHALAKUDY): Thank you, Sir. My submission is regarding the Angamaly-Kundannoor bypass. ? (*Interruptions*)

Ernakulam is a suburban area ? (*Interruptions*). According to official sources the vehicle population is the highest there. Kochin airport, Kochin port and other major institutions are there. Angamaly-Kundannoor bypass is the only remedy for transportation.

According to official source, 3a Notification is over. We are waiting for the 3A Notification. ? (*Interruptions*) Only after this Notification land acquisition will start. So, please give direction for the same.

Thank you, Sir.
