

### **Regarding providing hanging solar lanterns**

**SHRI P. VELUSAMY (DINDIGUL):** Hon Chairman Sir, Vanakkam. Kodaikkanal hill station is situated in the Palani Legislative Assembly segment of my Dindigul parliamentary constituency. More than 1 lakh people stay in this constituency and engaged in agriculture. Due to the increased human-animal conflicts of wild animals including elephants, wild cows and wild boars, people and farmers are affected. Therefore, I request the Union Government to provide hanging solar lanterns in the areas where there is threat from these wild animals to the people. Thank you for this opportunity.
