

[Shri Jawaharlal Nehru]

permission to I.A.F. aircraft to use Habbaniya Airport and thus created an impression that Iraq have discriminated against India.

The fact is that in connection with the ferrying of certain military aircraft from U.K. to India, a request had been made to the Iraqi authorities for permission to land at Habbaniya since our aircraft could get certain additional servicing facilities there, if necessary. The Government of India were informed that Iraq did not allow any country to use Habbaniya airfield and regretted her inability to make an exception in respect of India. The Iraq Government have, however, agreed to the use of Baghdad civil airport for the landing of our aircraft. In the past also some of our aircraft have used that airport. We have also since been informed by our Ambassador in Baghdad that the Iraq Government have offered special assistance at Bagdad civil airport. In view of this, there will be no delay or difficulty in the transit of our aircraft from the United Kingdom through Iraq.

**ATTEMPT ON THE LIFE OF PRESIDENT
SOEKARNO OF INDONESIA**

Shri Jawaharlal Nehru: Sir, there is one other matter which, with your permission I may mention to the House. This was the tragedy that occurred at Djakarta the day before yesterday. The tragedy was bad enough in the sense that it was an attempt to assassinate President Soekarno of Indonesia; but it took place at a Children's gathering. It was a miracle that the President escaped. But a large number of children did not escape. In fact, the first hand-grenade that was thrown actually killed a policeman standing near the President saluting him, and three other hand-grenades were thrown. The President fortunately escaped. But I think five children were killed among whom was an Indian boy eleven years old, and 49 children were seriously injured and ninety hurt. I think, Sir, this House will wish to express its deep sorrow at this tragedy and our gratitude that President Soekarno escaped.

Mr. Deputy-Speaker: I agree with the hon. the Prime Minister that we should express our deep sorrow at the tragedy that has happened; a large number of children have died. We do also express our gratitude and joy that President Soekarno has been saved.
