

Title : Regarding severe flooding in Kerala

SHRI K. RADHAKRISHNAN (ALATHUR): Madam, I wish to draw the attention of the House to the severe flooding in Kerala. Relentless heavy rainfall has led to devastating floods and landslides, claiming more than 25 lives and displacing thousands of people. The entire State of Kerala is worst affected. The State Government's resources are stretched thin necessitating immediate Central financial assistance. I urge the Central Government to provide financial aid of minimum Rs. 1000 crore, deploy additional NDRF teams, supply essential medical and food supplies, and offer technical and financial assistance for infrastructure reconstruction. This disaster demands our urgent and collective action to alleviate the suffering of the people of Kerala.
