

Regarding opening of a Jawahar Navodaya Vidyalaya in Thane District, Maharashtra

DR. HEMANT VISHNU SAVARA (PALGHAR): Hon. Chairperson Madam, through you, I want to draw the kind attention of the hon. Education Minister towards the opening of a Jawahar Navodaya Vidyalaya in Thane District, Maharashtra.

Earlier, Thane and Palghar were a combined District and in the same District, a Jawahar Navodaya Vidyalaya was established in Palghar in 1987. At that time, Palghar and Thane together used to be one District. On first August, 2014 Palghar District was established and Thane District was divided into two parts as Thane and Palghar. Since the last 10 years, the people of Thane and Palghar Districts have been continuously demanding that a Jawahar Navodaya Vidyalaya should be established in Thane District also, because there is no Jawahar Navodaya Vidyalaya now in Thane District. The population of Thane and Palghar Districts has also almost doubled in the last 10 years.

I have also been a first batch student of Jawahar Navodaya Vidyalaya, Thane and I am proud of it. So, I know that this Jawahar Navodaya Vidyalaya provides high-level of educational opportunities to all the bright students. Therefore, I would humbly request, through you, the hon. Education Minister that a Jawahar Navodaya Vidyalaya should be established in Thane District as soon as possible and the talented children there should be provided with an opportunity for better education.

Jai Hind! Jai Maharashtra! Jai Navodaya!
