

Regarding construction of a by-pass connecting Washim to Akot road linking various National Highways-laid

SHRI ANUP SANJAY DHOTRE (AKOLA): I request the Hon?ble Minister of Road, Transport and Highways for the construction of a bypass connecting Washim to Akot Road, linking NH161 (Akola-Sangha Reddy), NH53 (Akola-Surat), and NH161A (Akola-Akot). This project will greatly improve connectivity, reduce travel time, enhance the overall infrastructure of the region, boost economic growth and development, increase access to markets, industries, and employment opportunities, enhance safety and reduce traffic congestion, support urbanization and population growth, improve air quality and reduce noise pollution and increase property value and quality of life. I kindly request the Government?s consideration and acceptance of this proposal.
