

## **Regarding construction of a new underbridge in Pollachi Parliamentary Constituency-laid**

**SHRI ESWARASAMY K. (POLLACHI):** In my Pollachi Parliamentary Constituency, on the Udumalpet - Madathukulamnew highway, a new Under Bridge (VUH Vehicular Underpass) has to be constructed for easy movement of vehicles. Large number of vehicles are passing daily through NH 83. There is no flyover on this highway near Punjabi Dhaba Junction (0+900 KM) and Vedapatti Junction (74+300 KM). Due to high traffic, many accidents took place resulting in loss of precious lives of people. Hence, construction of new Under Bridge (VUH - Vehicular Underpass) is very essential and also the S PUR Road New highway NH 83(0+900KM) and New highway NH 83 (74+300KM). The said Under Bridges are very essential; it is the long pending request of the people of my constituency.
