**(a) : The CSR Framework under the Companies Act, 2013 ('the Act') is disclosure based and CSR mandated companies are required to file details of CSR activities annually in the MCA21 registry. All data related to CSR filed by companies in MCA21 registry including company-wise, state-wise, district-wise and development sector-wise is available in public domain at [www.csr.gov.in](http://www.csr.gov.in). On the basis of annual filings made by Companies in the MCA21 registry, the district wise CSR spent by the companies in the state of Karnataka, during the last five financial years (FY) i.e 2018-19, 2019-20, 2020-21, 2021-22 & 2022-23 is attached as Annexure-I.**

**(b) & (c) : Under the Act, CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor CSR activities based on the recommendations of its CSR committee. The Government does not issue any directions to the companies to spend in particular area or activity. Schedule VII of the Act indicates the list of eligible activities which can be undertaken by the companies as CSR. The activities mentioned under Schedule VII are broadly aligned with national priorities to promote inclusive and sustainable development and include measures for reducing inequalities faced by socially & economically backward groups, slum area development, rural development projects etc. Further, entries in Schedule VII are broad- based and may be interpreted liberally so as to capture the essence of the subjects enumerated therein. Lastly, the beneficiary wise data is not captured in the CSR filling made by the companies.**
