ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) Ministry of Skill Development and Entrepreneurship (MSDE) is implementing its flagship scheme Pradhan Mantri Kaushal Vikas Yojana (PMKVY), since 2015, for imparting skill development training through Short-Term Training (STT) and up-skilling and re-skilling through Recognition of Prior Learning (RPL) to youth across the country.

Placements were tracked in the Short-Term Training (STT) component in the first three versions of the Scheme which is PMKVY 1.0, PMKVY 2.0 and PMKVY 3.0 implemented from FY 2015-16 to FY 2021-22. Under the said three versions, 56.88 lakh candidates have been certified under STT and 24.38 lakh candidates have been reported placed, which is around 43%.

Placement is delinked from PMKVY 4.0, the current version of the scheme under implementation from FY 2022-23 onwards.

(b) & (c) Under PMKVY since 2015, Rs. 13,446.59 crore have been allocated, out of which Rs. 11,054.33 crore have been utilized. Under the State component of the PMKVY 2.0, due to poor performance of the States, the financial allocation was rationalized from ₹3,050 crore to ₹2,419.14 crore (approximately). The reason for low performance of States includes delay in release of funds from State's treasury to SSDM, different payment process followed by States/UTs, delay in submission of the UCs by States/UTs, slow clearance of technical / operational impediment with regard to on-boarding on SMART, SDMS, AEBAS, Skill India Portal etc.

(d) The details of male and female dropout candidates under PMKVY during the last five years (2019-20 to 2023-24) are given below:

FY-19-20		FY-20-21		FY-21-22		FY-22-23		FY-23-24	
Male	Female	Male	Female	Male	Female	Male	Female	Male	Female
87,101	58,488	113,314	117,812	18,539	19,560	11,769	9,550	133,765	136,269
