

Regarding need to provide financial package for revival of Aska Sugar Factory in Aska Parliamentary Constituency, Odisha-Laid

SHRIMATI ANITA SUBHADARSHINI (ASKA): The Aska Sugar Factory in Aska Parliamentary Constituency, Odisha is in very bad shape. Because of the inefficiency of the previous Government, many young people have left their homes and are working as migrant labourers in other states. I would like to request the Hon?ble Minister to offer a financial package to revive the Sugar Factory and make it fully functional. This will offer employment opportunities to some of the youth of my State, Odisha.
