

Regarding setting up of an AIIMS at Calicut-Laid

SHRI M. K. RAGHAVAN (KOZHIKODE): I request the Government to expedite the setting up of AIIMS at Calicut. Kinalur at Calicut due to its location is ideal for setting up AIIMS. The State Government has identified Kinalur as the most ideal location, land acquisition process has been completed, and inspection of the site has been done. Setting up AIIMS at Calicut will help neighbouring states of Karnataka and Tamil Nadu as well. Moreover, it will boost the health care of the entire Malabar region. I request the Government to expedite the setting up of the same.
