Written Answers

- (e) and (f) The proposed amendment to the Act also aims at doing away with the existing provision of fixation different rates of wages in respect of child workers so as to discourage employment of children.
- (g) and (h) Demands for fixing national minimum wages for agricultural and unorganised workers have been received from time to time. While it has not been possible to fix a uniform national minimum wage due to diversity in economy and geographical conditions within the country, in its last meeting the Indian Labour Conference has decided that while fixing the minimum wages the appropriate Government should ensure that no minimum wage is fixed below an agreed floor level wage.
